

Fall Tool Up - 2015

Premium Tooling Packages

- ⇒ 0.0001" TIR Taper to Bore
- ⇒ Dynamically Pre-Balanced
- ⇒ Coolant Thru Center & DIN AD/B Flange Coolant
- ⇒ High Performance Balanced ER Locking Nut
- ⇒ RFID Chip Hole

Jet-Blast is available on all End Mill Adapters. **Jet-Blast** pushes chips away from the cutting point to allow higher feed rates and extend tool life in many applications.

Please allow 3-5 days for modification.
